ABOUT US

In the dynamic realm of computer education, choosing the right institute is crucial for a student's future. Dr. B.R. Ambedkar Institute of Computer Sciences stands as a beacon of excellence, committed to providing unparalleled education in the field of computer sciences. Let's delve into what sets this institute apart and why it's the ideal choice for aspiring computer professionals.

Founded with a vision to empower individuals through computer education, the institute has been a pioneer since its inception. The visionaries behind the institute aimed to create a center of learning that not only imparts technical knowledge but also instills values of innovation and ethical practices in its students. At the heart of Dr. B.R. Ambedkar Institute of Computer Sciences is its state-of-the-art infrastructure. The institute boasts cutting-edge laboratories equipped with the latest technology, ensuring students have hands-on experience in a real-world setting. The advanced computer facilities and smart classrooms further enhance the learning environment.

DR. B.R. AMBEDKAR INSTITUTE OF COMPUTER SCIENCES

CHAIRMAN'S SPEECH

Empowering the students with quality education in a wider horizon is the mission we embrace at Dr. B.R. Ambedkar Institute of Computer Sciences. As the Chairman of Dr. B.R. Ambedkar Institute of Computer Sciences, I am privileged to be a part of the education scenario today. Understanding the competitive environment, we strive to facilitate excellent educational options for the personal growth and career fulfillment of students aspiring to make a name in the IT sector.

In the emerging context of IT industry, having a updated computer education secures a bright future ensuring an ever-advancing career profile. As an ISO 9001-2015 Company,. Ours is an adaptable service package that ensures complete support and guidance right from pre-application processes.

Our highly dedicated and committed team strives to achieve excellence in the field of Computer Education and I am honoured to be the leader of this team. With a keen focus on quality education, we are steadfast in our path, giving assistance and aid to students for attaining meritorious heights.

We work closely to serve students in fulfilling their academic dreams through a cost-effective package and professional guidance. We look forward to answer your queries and ensure effective assistance for education overseas.

MR. BISWAJIT ROY

CHAIRMAN / MANAGING DIRECTOR

DR. B.R. AMBEDKAR INSTITUTE OF COMPUTER SCIENCES

DISTINGUISHED FACULTY

The backbone of any educational institution is its faculty, and Dr. B.R. Ambedkar Institute of Computer Sciences takes pride in its team of experienced and knowledgeable professors. Committed to delivering quality education, the faculty members go beyond traditional teaching methods to inspire and guide students.

Comprehensive Course Offerings

The institute offers a wide range of academic programs catering to the diverse interests and career aspirations of its students. From foundational courses to specialized certifications, the curriculum is designed to provide a holistic learning experience, ensuring graduates are well-prepared for the ever-evolving field of computer sciences.

Innovative Teaching Methodologies

Understanding the importance of practical skills in the tech industry, the institute employs innovative teaching methodologies. Hands-on learning experiences and an industry-oriented curriculum ensure that students not only grasp theoretical concepts but also apply them in real-world scenarios, making them industry-ready upon graduation.

Research and Development Initiatives

Dr. B.R. Ambedkar Institute of Computer Sciences actively engages in research and development initiatives, contributing to the advancement of computer sciences. Ongoing projects and collaborations with industry leaders create a dynamic learning environment where students can explore the frontiers of technology.

Student-Centric Approach

The institute adopts a student-centric approach, providing support services beyond the classroom. From mentorship programs to a variety of extra-curricular activities and clubs, students are encouraged to explore their interests and develop a well-rounded skill set.

MR. LAXMAN PAUL (ADMISSION DIRECTOR)

We are committed towards our students growth and excellent training in order to cater the growing demands of the industry, Our Vision is to provide a best computer training to all students at Dr. B.R. Ambedkar Institute of Computer Sciences, We have the best of the faculties, We do not compromise on our quality of education. In this era of Start-Ups, we are working towards creating good computer skills by encouraging students to think big and to think out of the box.

MR. ABUJAR RAHAMAN TEACHER

It's hard for you, and believe me, it's hard for everyone else. Sometimes you will be having a bad day, and you will need to pick yourself up and keep moving forward—set goals. Learn to appreciate your success. You are smarter than you know, braver than you imagine and more determined than you realize.
